

KEVIN B. BUENO

Virac, Catanduanes | <https://portfolio-kev.pages.dev/>

09634930958 | kevinbueno360@gmail.com

A motivated and detail-oriented computer engineering student with a strong passion for technology and continuous learning. I have experience in developing software applications, managing computer systems, and working with data-driven solutions. I am seeking a challenging role where I can apply my skills in software development, data analytics, and system support while contributing to organizational growth and innovation.

EXPERIENCE

DICT - REGION V - DTC CATANDUANES

On-The-Job Trainee

February 8 – 28, 2024

- Completed an 80-hour technical training program on productivity tools and web fundamentals.
- Gain hands-on experience with Microsoft Office, Adobe Photoshop, HTML, and CSS.
- Participated in windows server configuration and basic system administration, client-server networking activities and troubleshooting.

ASSISTANT STATISTICIAN

Part-time/On-call

- Assisted researcher adviser/professor/statistician in statistical data analysis for academic research and theses.
 - Performed software-driven computation, verification, and rechecking of statistical data including descriptive statistics, inferential statistics, and reliability tests.
 - Utilized Python, AI tools, and other statistical software such as Jasp and Jamovi for statistical outputs and used Notion for record keeping/tracking.
 - Developed windows-based apps for specific statistical tests with Ai-assisted programming using Python.
 - Developed a windows-based app for printing batch files to solve my problem in opening each file on printing.
-

EDUCATION

BACHELOR OF SCIENCE IN COMPUTER ENGINEERING

Catanduanes State University | 2024 – Present

SKILLS

Web Dev: HTML, CSS, Bootstrap, JS

Programming: Python, C, JS

Database: SQL, MySQL, SQLite

VCS: Git, GitHub

MS Office: MS Word, PowerPoint, Excel

Data Analysis: Jasp, Jamovi

Soft-Skills: Fast-Learner, Adaptive, Flexible, Passionate

CERTIFICATES

NC II- Computer Systems Servicing | TESDA, May 2024

Free Coding Bootcamp: Data Visualization Workshop | Zuiitt, Nov. 8, 2025

Digital Literacy | IBM SkillsBuild, Mar. 28, 2025

Python Essentials I | Cisco NetAcad, Feb. 2, 2025
